*Those who want to develop a new art of
consultancy for helping each other in finding the path*

CONTENT OF THE WEB SEMINAR

The web seminar is designed according to Dr. Bekman's book

Images and Concepts on the Human Being and his Creations.

Dr. Bekman and Dr. IJkema are going to present IMO's main concepts on

CONSULTANCY AND CHANGE

In seven two-and-a-half-hour web seminar sessions we will explore seven consultancy concepts and images that are key to the methodology and practice of leadership and change.

Concept of the organization as an expression of the human soul

Concept of consultancy in change

Concept of the fundament for consultancy in change

Concept of the consultancy process like making a documentary

Concept of consultancy levels

Concept of the professional circle

Concept of creating learning processes

You can enjoy the exploration of the "IMO methodology of the evidential", that forms the basis for the acting and reflecting of leadership and change consultancy, in connection to your own questions and practices.

You can learn from the insights, exercises and reflections that Dr. Bekman and Dr. IJkema will present.

You will receive the book *Images and Concepts on the Human Being and his Creations*
