

Leadership issues in Waldorf schools

Webinar: 5 June 2024 from 15.00-20.00 CEST

Free on zoom

We invite you to a concluding Webinar of the Erasmus+ project Waldorf Leadership Development. Over the past two years, leadership issues have been explored in eight schools in eight different countries in Europe. In this Webinar, we want to share the results of research with as many people as possible. We also want to show how these results can be used sustainably for leadership development in Waldorf schools

20.00 Closure

** Ronen Hahn will present the 'heart model' as a very practical and inspiring way to perform the weekly collegium-meetings. Ronen is IMO consultant in Israel and leader of Waldorfteacher training program.*

About WLD Waldorf Leadership Development

Eight Waldorfschools in eight European countries (Switzerland, Italy, Spain, Romania, The Netherlands, Finland, Belgium and Germany) are involved in an action-research process on leadership development. Hans Passenier and Klaas Ijkema from the Dutch IMO team initiated this project, together with IMO consultants from the different countries. The WLD project is funded by the Erasmus + Agency of the European Union. It started in September 2022 and will end in August 2024.

Registration for this conference

You will receive a zoom link a week in advance. If you know other people who are interested, please invite them to sign up too.
